Theatrical Manager Harry C. Miner, Tammany leader of the Third Assembly District, said this afternoon that he was a candidate for the Congressional nomination in the Ninth District, now represented by Timothy

Congressman Campbell wants the nomination again, but the odds seem to be in taver of Miner.

Pollicians say that if Miner really wants the nomination he can have it.

The matter will very likely be fought out in Convention, Campbell having quite a following, and Miner has by no means a walk-over.
